

RANCH COUNTRY HOMES

Experience and Passion

Ranch Country Homes has been building dreams for over 40 years. Started by David Cryan, his son Stephen is carrying on our company's commitment to excellence. We began by building quality homes at fair prices, and we continue to do so. With over 135 years combined real estate and construction experience, our team works with you to complete your home on budget and on time, every time. Let us show you what we can do for you, and we know you'll find Ranch Country Homes is the builder for you!

LASTING STYLE

The One-Stop Shop for Your Dream

Besides building homes, Ranch Country Homes has sites for sale that will be the perfect setting for your home.

You won't have to deal with multiple companies to have the home of your dreams. We provide a "turnkey" service from start to finish. Building a new home can be an emotional and financial roller coaster. Not at Ranch Country Homes. We've been in this business long enough to know exactly what needs to be done in every aspect and how to do it. We give you peace of mind while you watch your dream home come true.

CREATING THE PERFECT ENVIRONMENT FOR YOU

At Ranch Country Homes, we don't just claim to be the best. We have the awards to prove it. We've been voted Austin County's best homebuilder 8 years in a row! While customer satisfaction is our top priority, you can feel reassured that those who make their living doing what we do recognize our high standards of workmanship.
